**Re: Retransmission Consent Election
KOMU-TV, Columbia, MO**

Dear Mr. Pechacek,

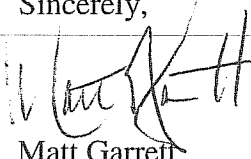

We are in receipt of your letter dated July 6, 2012 (the original letter was sent to an incorrect address, and after being sent again, this time to the correct address, was received by KOMU-TV on August 3, 2012). In your letter, you indicate that Galva Cable Company, LLC intends to offer a video programming service (the "Service") to subscribers in the Columbia, Missouri television market, via broadband Internet connections, beginning on or about September 1, 2012. You indicate that your company qualifies as a Multichannel Video Programming Distributor and pursuant to 47 C.F.R. § 76.64(k), you request that KOMU-TV (the "Station"), digital channel 8, licensed to Columbia, Missouri and serving the Columbia, Missouri Designated Market Area ("DMA") notify you of its election between must carry and retransmission consent status for purposes of your distribution of the station's signal.

To the extent that the Service you will provide qualifies as a cable system under 47 C.F.R. § 76.5(a) eligible to retransmit the Station's signal and to request a carriage election, and to the extent that you have received all required franchise or other approvals to offer the Service, KOMU-TV, pursuant to Section 76.64(f) of the rules and regulations of the Federal Communications Commission, by this letter, provides written notification that it elects retransmission consent status for carriage of the signal of television station KOMU-TV. This election applies to all communities served by the Service and will be in effect from now until the end of the current election cycle on December 31, 2014. No carriage of the Station may commence until and unless KOMU-TV and Galva Cable Company, LLC have executed a written retransmission agreement permitting such carriage.

All correspondence regarding retransmission of the Station should be addressed to myself, Matt Garrett, the official contact person for retransmission consent issues at KOMU-TV, 5550 Highway 63 South, Columbia, Missouri 65201, the station's address for receiving official correspondence.

We look forward to working with you, and if you have any questions concerning this election, please contact me at (573)884-3269.

Sincerely,

A handwritten signature in black ink, appearing to read "Matt Garrett", written over a horizontal line.

Matt Garrett
Director of Audience Development
